

International Conference

Geoecological Problems of High Mountains

Tatranska Lomnica, Slovakia
September 15 -18, 2009

International Conference

organized under the auspices of

**The Association of Polish Geomorphologists
Association of Slovak Geomorphologists
The Polish Association for Landscape Ecology**

The conference refers to the questions of abiotic features as well as to linkages of this aspects of environment with biotic features and covers the following problems:

- Changes of geocological zones in high mountains in holocene, record of changes in the relief and deposits
- Role of contemporary climate changes in natural environment transformation of high mountain area, focussed on extreme phenomena
- Course of geomorphological processes in high mountains influenced by human activity, changes in relief, plant cover and water circulation
- Problem of range of human interference in the natural environment processes in high mountains, particularly on the areas subject to various forms of nature protection
- Research methods of evaluation of changes of high mountain environment

Scientific committee:

Ing. Peter Fleischer, PhD.
Prof. dr hab. Jan Holeksa
Prof. dr hab. Kazimierz Klimek
Prof. dr hab. Adam Kotarba
Prof. dr hab. Kazimierz Krzemień
RNDr. Milan Lehotský, CSc.
Prof. dr hab. Piotr Migoń
Prof. RNDr. Jozef Minár, CSc.
Prof. dr hab. Andrzej Richling
Dr inż. Paweł Skawiński
Prof. dr hab. Leszek Starkel
Ing. Marián Šturcel

Organizing committee:

RNDr. Vladimír Falt'an, PhD.
Prof. UŠ dr hab. Adam Łajczak
Mgr Ján Novotný PhD.
Dr Elżbieta Rojan

Registration Form

Filled Registration Form as well as all inquiries please send by mail or e-mail to:

Dr Elzbieta Rojan
Zaklad Geomorfologii WGiSR UW
Ul. Krakowskie Przedmiescie 30
00-927 Warszawa
e-mail: erojan@uw.edu.pl
Phone: +48 22 55 20 653

Participation costs:

Registration fees amounts to 600 PLN (EUR 160 approx.), students – 300 PLN (EUR 160 approx.). Fee covers conference materials, publications, field trip
Cost of accommodation and excursions is covered by participants (detailed pricing will be included in Announcement 2).

There is an option to book accommodation at the venue of the conference (pension).

Approximate pricing:

Single room – 30 EUR

Double room – 46 EUR

Breakfast – 5 EUR

Lunch – 12 EUR

Target dates:

Sending of Registration Forms – 31.12.2008

Distribution of Announcement 2 – 31.01.2009

Sending text for publication and conference fee payment – 31.03.2009

Distribution of Announcement 3 – 30.06.2009

Preliminary program:

15.09.2009 - registration of participants, conference opening, plenary lectures, party

16.09.2009 - excursion on the area of windfall

17.09.2009 - oral and poster sessions

18.09.2009 – selection of excursion:

- Štrbské Pleso Lake vicinity

- Skalnaté Pleso Lake and Lomnický štít Peak or Lomnický hrebeň Crest

- Veľká Studená dolina Valley

- or : - Gerlachovský štít Peak

- 2-days of hiking in the Slovak Tatra Mountains with the night in mountain hut

- Belianska jaskyňa Cave

- Aquapark in Poprad town

Publication:

The proceedings are planned to be published in Landform Analysis (Published in English by Association of Polish Geomorphologists). Instructions for authors will be provided in Announcement 2.

Presentation languages:

Polish, Slovak, English
