Accommodation costs should be met by attendees. Single beds are available in 2-3 bed rooms at an additional cost of **CZK 440** (inclusive of breakfast). Please contact us separately if you require a single room.

Dear colleagues,

On the basis of experience from prior conferences, and the discussion at the last conference on the Urnfield period at Bučovice, it has been decided that this year's meeting on the subject of the Early Bronze Age should also include a poster presentation section. In order, however, that no-one be deprived of the chance to give even a brief verbal description of the most important aspects of their communication in the plenary session, however, it has also been decided to include a 'combined section', i.e. a combination of poster (with presentation in the time allotted to poster presentation) and a max. 10 minute talk in the plenary session.

Depending on the number of papers submitted and the balance between the various themes, the organisers reserve the right to ask participants to include their papers in particular sections.

Maximum poster dimensions: **A1 format (840 x 1188 mm)**

A preliminary conference programme will be sent out no later than during July 2007.

The final conference programme, along with the excursion programme and other details, will be dispatched in the second half of September 2007

We look forward to seeing you at Třešť!

Mgr. Michal Ernée, Ph.D.
