2. quintile	23.15	44.82	36.83	35.84	27.74
3. quintile	23.48	42.91	35.78	34.83	27.32
4. quintile	18.69	35.50	29.40	28.38	22.27
5. quintile	13.21	23.40	19.57	19.21	15.21

Notice: The actual basic housing cost burden measure (SMZ) before deregulation was calculated as an average for all households living in rental housing and paying regulated rent. The housing cost burden (SMZ) after deregulation was calculated as an average for those households which didn't move from rental housing into owner-occupied housing (as a consequence of increasing rent).
