International Conference  
**PROGRAMS AND ALGORITHMS  
OF NUMERICAL MATHEMATICS 13**  
in honor of Ivo Babuška's 80th birthday  
under the auspices of the President of the Academy of Sciences  
of the Czech Republic Prof. Václav Pačes  
*Mathematical Institute, Academy of Sciences,  
Žitná 25, Prague, Czech Republic  
May 28 – 31, 2006*

### INSTRUCTIONS FOR AUTHORS

We kindly ask the authors to follow these instructions:

- Write your contribution in English and use a  $\text{T}_{\text{E}}\text{X}$  (preferably  $\text{L}^{\text{A}}\text{T}_{\text{E}}\text{X} 2_{\epsilon}$ ) system. Please visit <http://www.math.cas.cz/panm13/> for the `panm.cls` style and a sample article `example.tex` with `figure.eps`.
- Send us your contribution as a PDF or a PS file by e-mail. Please do not forget to attach all input files, that is, a  $\text{T}_{\text{E}}\text{X}$  source file and EPS figure files. E-mail: `panm13@math.cas.cz`. Deadline: **August 31, 2006**.
- Do not assemble the source text from several files by using an `\include` command.
- Page limit: 5–6 pages for short communications, 10–15 pages for invited speakers; A4-size page, 12 point font, see `panm.cls`. Do not use smaller font size or thin lines in figures because the A4 pages will be reduced to the A5 format.
- Authors of short communications may leave out the abstract to save space.
- Omit your institution and address in your contribution. This information will be summarized at the end of the proceedings.
- The color figures will be printed in grayscale.
- We appreciate EPS files of reasonable size (14 MB for a 5 cm  $\times$  10 cm figure are really too much and cause printing problems).
