

CONFERENCE

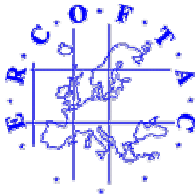

TOPICAL PROBLEMS OF FLUID MECHANICS Prague, February 25, 2004

*Department of Technical Mathematics
Faculty of Mechanical Engineering
Czech Technical University in Prague*

*Institute of Thermomechanics
Academy of Sciences of Czech Republic*

*European Research Community
On Flow, Turbulence
And Combustion*

The aim of the conference is to discuss contemporary problems of fluid mechanics and to bring out latest results obtained in the course of solution of grant projects supported by Grant Agencies in Czech Republic and abroad. The attendance of experts from the academic institutes, technical universities and from the other research institutions is assumed.

For the detailed information including the registration form and scientific programme see the conference web page:
