

Conference TOPICAL PROBLEMS OF FLUID MECHANICS 2005

The conference will be held in the Institute of Thermomechanics AS CR.

The aim of the conference is to discuss contemporary problems of fluid mechanics and to bring out latest results obtained in the course of solution of grant projects supported by Grant Agencies in Czech Republic and abroad.

The attendance of experts from the academician institutes, technical universities and from the other research institutions is assumed.

The official languages of the conference are Czech and English.

Filled in **Registration Form** (incl. a short abstract of offered contribution) should be sent to the Conference Secretary by January 15, 2005.

Submission of camera-ready contributions (concerning both lectures and posters) to be reprinted in Proceedings of the conference is up to January 31, 2005. The requirements for layout of manuscripts are enclosed. The contribution should be written on 2 or 4 pages A4 (even number of pages only!). Manuscripts which do not conform to the instructions or which exceed the permitted length cannot be accepted. Sending by e-mail can be accepted after foregoing agreement with regard to the file format only.

The registration fee paid through the bank account before January 31, 2005 is 110 EUR (or 130 EUR after that date or at the registration desk). It covers organisation expenses including one issue of Proceedings, lunches and small refreshment during the conference.
