

## **PROGRAMME**

of the training lecture

### **“Making Full and Immediate Open Access a Reality”**

The lecture in the series of lectures within the training  
**“Fundamentals of Research Work”**  
for researchers of the Institute of Mathematics of the Czech Academy of Sciences.  
Researchers from all other institutions are cordially welcome to join.

The training course is executed within the project CZ.02.2.69/0.0/0.0/18\_054/0014664 Institute of Mathematics goes for HR Award - implementation of the professional HR management.

### **David Sweeney**

Executive Chair, Research England

**Monday, November 16, 16:00 – 17:00**

The lecture will be live-streamed via Zoom:

<https://cesnet.zoom.us/j/93725208699?pwd=SjRTUzJITVpzZndXTGwxd3hWd3Bzdz09>

Meeting ID: 937 2520 8699

Passcode: 307075

Alternatively, it can be watched on YouTube using a link published about 30 minutes before the start on the web page of the Institute of Mathematics: <http://www.math.cas.cz/>

### **Abstract of the lecture:**

David Sweeney will present a brief overview of some of the guiding principles and the current approaches to open access. Reflecting on the ambitions for open access and our collective responsibilities for the science system as a whole, he will explore what change looks like and the underpinning rationale for why it is needed.
