Address of above copyright owner (if applicable):

For publishing your article we need your **written agreement**. Please, print out, fill in and sign the form. Return it to Editorial Office (*Institute of Physiology of the CAS, Vídeňská 1083, CZ-142 20 Prague 4, Czech Republic, E-mail: physres@fgu.cas.cz*) as soon as possible.

By signing this form, **you** (the author(s) or other copyright owner, such as your employer) **agree** to transfer to us (Institute of Physiology of the CAS, Prague, the journal's publisher and owner) the copyright in the above article. Thus you give us the exclusive right to reproduce and distribute the above article ourselves throughout the world in printed, electronic, or any other medium. You agree that we may publish your article in the journal named above, and that we may sell or distribute it within the journal, on its own, or with other related material.

You herewith confirm that all of the named authors contributed substantially to the article, and agree to take public responsibility for the validity of its content. You also confirm that **all major sources of funding have been acknowledged in the text of the article** and that there is either (a) **no conflict of interest** that could be perceived as prejudicing its impartiality, or (b) a potential conflict of interest that is **fully declared** within the text of the article (see the note below).

You also indicate that the article is your own original work, has not previously been published, and is not currently under consideration by another journal. If it contains material (such as a previously published illustration) which is someone else's copyright, you promise that you have obtained the unrestricted permission of the copyright owner (please attach evidence of this) and that the material is clearly identified and acknowledged within the text. **We will respect** your rights as the author(s). That is, we will make sure that your name(s) is/are always associated with the article and, while you do allow us to make necessary editorial changes, we will not make any substantial alteration to your article without consulting you. We will do everything we reasonably can to maximize the visibility of the journal, and of your article within it.

You can use freely your own article for the internal educational or research purposes of your own institution or company and to use it, in whole or in part, as the basis for your own further research or spoken presentations, provided you neither sell it nor encourage others to infringe our copyright.

Note on Conflict of Interest Disclosure

Conflict of Interest concerns a relevant duality of interest (within previous 12 months) which had the author(s) with a company whose products or services are directly related to the subject matter of their manuscript. A relevant duality of interest includes employment, membership on the board of directors or any fiduciary relationship, membership on a scientific advisory panel or other standing scientific/medical committee, ownership of stock, receipt of honoraria or consulting fees, or receipt of financial support or grants for research. Company is defined as for-profit concern engaged in the development, manufacture, or sale of pharmaceutical products or biomedical devices or supplies.
