## 2010 TIGP Summer Internship Program

### About TIGP

In 2002, in order to cultivate international talents and to help promote the internationalization of higher education in Taiwan, Academia Sinica (<http://www.sinica.edu.tw/>) established the *Taiwan International Graduate Program (TIGP)*; (<http://tigp.sinica.edu.tw/>) in collaboration with local research universities. The all-English teaching and research environment, together with state-of-the-art facilities and world-known faculty, provides an intellectual educational environment for international talents who wish to pursue a graduate study in an advanced setting. Currently, TIGP offers 9 interdisciplinary Ph.D. programs in cutting-edge science research fields:

1. Chemical Biology and Molecular Biophysics (CBMB) Program:
2. Molecular Science and Technology (MST) Program
3. Molecular and Biological Agricultural Sciences (MBAS) Program
4. Molecular and Cell Biology (MCB) Program
5. Bioinformatics Program (BP)
6. Nano Science and Technology (NST) Program:
7. Molecular Medicine (MM) Program
8. Computational Linguistics and Chinese Language Processing (CLCLP) Program
9. Earth System Science (ESS) Program
