Technology Centre is the National Information Centre for European Research. It makes analytic and prospective studies related to research, development and innovation, and it is involved in transnational technology transfer.

The institute publishes the journals *ECHO* – chief editor RNDr. Vladimír Albrecht, CSc. (*phone:* +420 234 006 106, *e-mail:* echo@tc.cz, albrecht@tc.cz) and *ERGO* (www.strast.cz/ergo/?lang=en) – chief editor Mgr. Martin Fařun (*phone:* +420 234 006 168, *e-mail:* fatun@tc.cz).

More detailed information about the organisational structure of the Institute and its research and specialised units can be found at the following URL:
