

Director of the Institute of Molecular Genetics

The Council of the Institute of Molecular Genetics of the Academy of Sciences of the Czech Republic, v. v. i. (a public research institution), calls for applications for the position of Director of Institute.

The Candidate should fulfil the following criteria:

- University degree and scientific qualification(s) in the fields of genetics, genomics, bioinformatics, molecular biology, biochemistry, immunology, cell biology, developmental biology, microbiology, or virology;
- Significant original scientific results;
- Organizational skills and experience;
- Moral integrity;
- Conditions stipulated by § 17, sections (4) – (6) of the Act No. 341/2005, Collection of Czech Laws, on public research institutions, as amended¹.

The term of office is five years and the position will be open from May 1st, 2012. Based on the Statutes of the Academy of Sciences of the Czech Republic, the salary of the Director of Institute is determined by the AS CR President. The expected monthly remuneration is 75-100,000 CZK.

Applications with a CV, documents of achieved qualification(s), a summary of experience and a list of their most important scientific publications should be sent in written form to this address:

**Institute of Molecular Genetics AS CR, v. v. i.
Videňská 1083
Prague 4
142 20
Czech Republic**

by March 15, 2012 at the latest.

Pre-selected candidates will be invited for an in-person interview to present their concept of management of the institute and their future objectives for the institute while in the position.
