
Regular Wednesday IMG seminars

Dr. Jiří Grygar

*Institute of Physics,
Academy of Sciences of the Czech Republic, Prague*

„The Origins of Physics, Chemistry, and Biology, or Big Bang is the Culprit“

Dr. Grygar is one of the most famous Czech scientists, known to virtually everybody because of his >40 years successful popularization of astronomy, astrophysics, and fighting pseudoscience and quackery.

For more details on Dr. Grygar see:

http://en.wikipedia.org/wiki/Ji%C5%99%C3%AD_Grygar

<http://www.astro.cz/~grygar/>
