

2nd COST 2102 INTERNATIONAL CONFERENCE on
**Cross-Modal Analysis of Speech, Gestures,
Gaze and Facial Expressions**

PRAGUE, CZ, 15-18 October 2008

An event jointly organized with

the annual 18th Czech-German Workshop on Speech Processing

details are on the web site

<http://www.ufe.cz/events/cost2102.php>

Target Areas and Conference Topics

The Conference is organized within the Cost Action 2102 and is addressed to scientists from scientific areas such as computer science, physics, psychology, statistics, electrical engineering, phonetics, philosophy, neuroscience, and communication science.

Research topics are on cross modal analysis of speech, gestures and facial expressions and on algorithms and procedures for automatic recognition of emotions, faces, facial expressions, gestures, speaker identification and verification, and more... See http://www.cost.esf.org/index.php?id=110&action_number=2102

Conference site

The conference will be held in the large Blue Lecture Hall in the Rector Building of the Charles University, Prague 1, Celetná Street 20, in the historical centre of Prague, near the Old Town Square.

Preliminary List of Invited Speakers

Maciej Karpinski, Institute of Linguistics AMU, Collegium Novum, Poland
Jan Nouza, Institute of Information Technology and Electronics, Czech Republic
Jan Volin, Institute of Phonetics, Charles University, Prague, Czech Republic

Registration

The conference has no registration fee.

The registration form is on http://www.ufe.cz/events/cost2102_register.php

Organizing Institutions

Institute of Photonics and Electronics, Academy of Sciences of the Czech Republic, Prague
Institute of Phonetics, Faculty of Philosophy and Arts, Charles University, Prague
Institute of Applied Physics, Johann Wolfgang University, Frankfurt/Main
Institute of Phonetics, Johann Wolfgang University, Frankfurt/Main
Institute of Acoustics and Speech Communication, Dresden University of Technology, Dresden

International Advisory Committee

Robert Vích Institute of Photonics and Electronics, AS CR, Prague
Anna Esposito Second University of Naples and IIASS, Italy
Eric Keller University of Lausanne, Switzerland
Macos Faundez_Zanuy University of Mataro, Barcelona, Spain
Amir Hussain University of Stirling, UK
Jan Volín Institute of Phonetics, Charles University, Prague
Dagmar Dvořáková Media Communication Department, AS CR, Prague

Local Organizing Committee

Robert Vich Institute of Photonics and Electronics, AS CR, Prague
Jitka Veroňková Institute of Phonetics, Charles University, Prague
Petr Horák Institute of Photonics and Electronics, AS CR, Prague
Jitka Pečenková Institute of Photonics and Electronics, AS CR, Prague
Irena Vítková Media Communication Department, AS CR, Prague
