

# THEORY AND METHOD

IN ARCHAEOLOGY OF THE NEOLITHIC (7<sup>th</sup>-3<sup>rd</sup> MILLENNIUM BC)

## mikulov'10

**Tuesday 26/10/2010**

- 9:00-12:00 Registration
- 13:00 Introduction (Jan Kolář and František Trampota – organisers)
- 13:05 Welcoming speech (Petr Kubín – director of Regional museum in Mikulov)
- 13:20-13:40 ALEXANDRA ANDERS: New tendencies in Hungarian Neolithic research.
- 13:40-14:00 PETR KVĚTINA and MARKÉTA KONČELOVÁ: Bylany after Soudský.
- 14:00-14:20 DANIEL SOSNA and VLADIMÍR SLÁDEK: Bell Beaker Warfare: Use-Wear Analysis of Arrowheads.
- 14:20-14:40 Coffee break
- 14:40-15:00 MACIEJ EHLERT: Flints versus lists. Lithic industries of early farming societies and classification tools.
- 15:00-15:20 ISABEL HOHLE: The early neolithic settlements of Eythra and Zwenkau, co. Leipzig (D).
- 15:20-15:40 PETER DEMJÁN: Typological and chronological relations between burials on a Lengyel Culture settlement. Archaeological data processing using formalized methods.
- 15:40-16:00 IVANA VOSTROVSKÁ and LUBOMÍR PROKEŠ: Pottery from the LBK settlement of Těšetice-Kyjovice “Sutny” (South-west Moravia, Czech Republic) - method of processing and possibilities of statistic analyses for data evaluation.
- 16:00-16:20 Coffee break
- 16:20-16:40 MATEUSZ KRUPSKI: Explaining cultural elaboration in the Late LBK. The application of the waste hypothesis.
- 16:40-17:00 MÁRIA ATTRESOVÁ: Some remarks to the archaeological searching of the Zemplín region.
- 17:00-17:20 JORIS COOLEN: Early neolithic settlement in the surroundings of Melk, Lower Austria.
- 19:00- ? Dinner and social event**

## Wednesday 27/10/2010

- 9:00-9:20 MIROSŁAW FURMANEK, KRZYSZTOF GEDIGA and URSZULA PISZCZ: Neolithic houses in the light of phosphate analysis.
- 9:20-9:40 SZUSZANNA SIKLÓSI and NÁNDOR KALICZ: Absolute and relative chronological position of Aszód-Papi földek Late Neolithic site in the light of new radiocarbon dates.
- 9:40-10:00 JAN PETŘÍK, LUBOMÍR PROKEŠ, MARTIN KUČA, ZUZANA FAJKOŠOVÁ, DAVID HUMPOLA, KLÁRA ŠABATOVÁ and ELIŠKA KAZDOVÁ: Pedogeochemical investigation of The Bell Beaker Culture graves from sites Hodonice and Kyjovice, South Moravia.
- 10:00-10:20 LIBOR PETR: Reconstruction of Early and Middle Holocene environments based on pollen analysis in lowlands of the Czech Republic.
- 10:20-10:40 Coffee break
- 10:40-11:00 LENKA LISÁ, PETR KVĚTINA and RADKA ŠUMBEROVÁ: "Does sediment speak?"; case study of rondel infillings based on micromorphology.
- 11:00-11:20 JOHANNA KRANZBÜHLER: Potentials of anthropological kinship analyses in the reconstruction of social structures within past societies.
- 11:20-11:40 MIROSŁAW FURMANEK and ARTUR RAPINSKI: Relationships between hunter-gatherers and farmers. Changing facts and theories in Polish archaeology.
- 11:40-12:00 CHRISTIAN MEYER, ROBERT GANSLMEIER, VEIT DRESELY and KURT W. ALT: New approaches to the reconstruction of kinship and social structure based on bioarchaeological analysis of Neolithic multiple and collective graves
- 12:00-13:20 Lunch
- 13:20-13:40 NICOLE NICKLISCH, ROBERT GANSLMEIER, VEIT DRESELY and KURT W. ALT: Nutritional deficiencies and the risk of infectious disease at the onset of agriculture in Central Germany.
- 13:40-14:00 ROBERT GANSLMEIER, GUIDO BRANDT, NICOLE NICKLISCH, VEIT DRESELY and KURT W. ALT: Migration or Contacts in the Early and Middle Neolithic of Central Germany – a DNA perspectives and the archaeological record.
- 14:00-14:20 JAN KOLÁŘ: Secondary mortuary practices during the Final Eneolithic in Moravia – interpretations, perspectives and new approaches.
- 14:20-14:40 MÁRTON SZILÁGYI: Burials within settlements in the Early Copper Age of the Great Hungarian Plain – in the period of the first formal cemeteries. Comments on the problem of the Late Neolithic – Early Copper Age transition in Eastern Hungary.
- 14:40-15:00 Closing discussion/official ending of the seminar
- 15:30-17:00 Visit of synagogue, Jewish cemetery, Kozí hrádek/Goat castle, Svatý kopeček/Holy hill

**Evening: non-organised socialising**

**Thursday 28/10/2010**

## **Excursion**

APPROPRIATE FOOTWEAR AND CLOTHING NECESSARY!  
THE EXCURSION WILL NOT TAKE PLACE IN CASE OF RAINY WEATHER!

10:10 Departure from bus stop „Mikulov – U parku“ to Dolní Věstonice  
10:33 Arrival to Dolní Věstonice and hiking through Pálava hills back to Mikulov (ca 13 km)

### **Route:**

DOLNÍ VĚSTONICE – "Calendar of Ages" – exposed loess deposits from the last two ice ages

DĚVIČKY CASTLE – ruine of medieval castle on top of one of the Pálava hills

PÁLAVA HILLS – UNESCO biosphere reservation

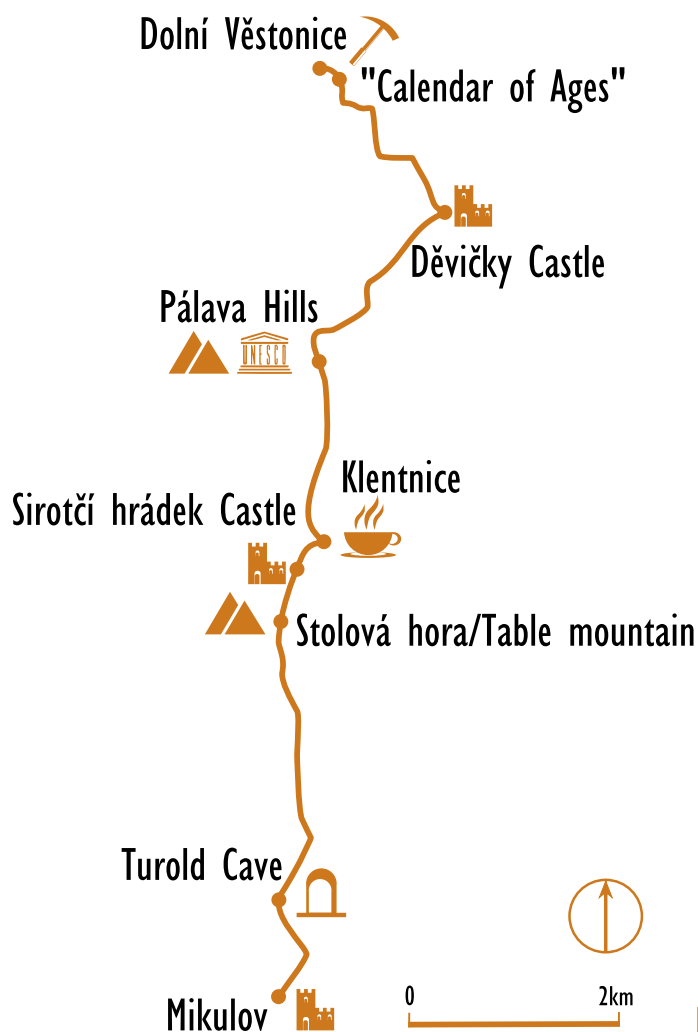

KLENTNICE VILLAGE – break in local coffee house

SIROTČÍ HRÁDEK CASTLE – ruine of medieval castle above Klentnice

STOLOVÁ HORA/TABLE MOUNTAIN – Bronze age hillfort

TUOLD CAVE – destroyed cave especially with Neolithic occupation, possible visit of the rest of cave system

**Afternoon – Return to Mikulov, late lunch, definitive end**

**mikulov'10**

## Instructions:

### Arrival:

From Berlin, Bratislava, Brno, Budapest, Kraków, Praha, Warszawa and Wien by EC, IC or SC train to Břeclav, then by local train to Mikulov (direction Znojmo).

By car by international road Brno-Wien (E 461/R 52). From Bratislava to Břeclav by motorway D2, then by national road (40) Břeclav- Mikulov.

### Arrival to Mikulov castle:

Streets in whole town centre are organised as one ways, please keep it in mind and follow the routes drawn in the plan (see below). For parking use car park marked in the plan of the castle.

**Registration desk will be in the ticket office from 9:00 to 12:00.**

### Seminar fee includes:

Refreshments during the coffee breaks, dinner.

### Presentation:

15 minutes long + 5 minutes for discussion. Please, prepare your presentations in .ppt format (MS Office 97-2003, not .pptx) or .odp format.

### Publishing:

There is a possibility to publish your paper in peer-reviewed journal of Department of Archaeology and Museology at Masaryk university STUDIA ARCHAEOLOGICA BRUNENSIA (Sborník prací filozofické fakulty brněnské univerzity), ISSN 1211-6327.

Deadline for delivering of the articles is on 31<sup>st</sup> December 2010. The instruction for authors will be send after the seminar.

**In the case of any unexpected problems during your arrival and also during the whole seminar feel free to call František Trampota - tel.: +420 777 061 293.**
