

Department of Analytic Philosophy
Institute of Philosophy
of the Czech Academy of Science
Prague, Czech Republic

cordially invites you

to take part in the conference to inaugurate the annual

ERNST MACH WORKSHOP/WERKSTATT ERNST MACH

The topic of this first conference is

ISSUES IN PHYSICALISM

Keynote speaker

Prof. BARRY LOEWER

(Rutgers University, New Brunswick)

will present a paper

“Direction of Time and Free Will”.

Papers either on this specific topic, or any other topic in contemporary physicalism that Prof. Loewer published on, are welcome. The selected speakers will have an opportunity to benefit from discussion with a foremost representative of the currently strongest philosophical program.

Please send abstracts of up to 500 words to

emw@flu.cas.cz

Deadline for abstracts is May 1, 2012.

Workshop will be held on June 25-26, 2012

at the Academic Conference Center
of the Institute of Philosophy, Prague.

For more information on both this workshop
and the whole Ernst Mach Workshop series, see
www.flu.cas.cz/emw.
