Dear Mgr. Michaela Prochazkova,

The Academia publishing house did a very good job in publishing my book: *Anonymni Hebrejska Kronika z Rane novoveke Prahy*, with a very nice decorated binding. I am sure you had a great part in preparing this edition. As I have heard from a colleague of mine in Prague, the translator Mgr. Marketa Pnina Rubesova did an excellent translation.
Thanks a lot.

Sincerely yours.

Abraham David
