

MAE Online Application

Thank you for applying to the CERGE-EI MAE Program!

Currently the application system does not allow applicants to save data and return to the application. This will be available in December 2011. If you want to apply before then, enter all the data at once and submit. You can download a [pdf of the complete form](#) to plan out your responses. You will get a response within two weeks of having a complete application!

Make sure you read [the instructions](#) before you apply so that the process goes smoothly. It is best if you prepare all your materials before filling out the online application form.

Check back soon - you'll be able to use your email and password to login and see your application status!
