Postdoctoral position available

The post would be suitable for a mathematician or another specialist with a strong background in mathematics interested in some of the fields pursued in the Institute. This is a full-time two year contract appointment, on the internal salary scale at a level commensurate with qualifications and experience.

Job posted: 6 August 2014

Closing date for applications: 30 September 2014

Starting date of the employment: 1 November 2014 or upon agreement

Requirements: A recent PhD degree (< 3 years, maternity/paternity leave will be taken into account) in mathematics or in a related area, motivation to do research, and potential for cooperation. If the applicant has not yet obtained his/her PhD before submitting the application he/she must produce evidence that the thesis will be defended before the starting day of the employment.

To apply: Applications should be submitted exclusively through the electronic system <https://application.math.cas.cz/Positions.html>.

The application should contain:

1. Detailed CV
2. List of publications
3. Letter of motivation including a brief description of applicant's research interests and concepts of cooperation within the institute.
4. Names and e-mail addresses of two referees who will provide reference letters.
