

Present state of the collection for treatment of underage Katareeya Epp

We would like to thank you for all the financial support donated to our public collection.

1. 9. 2014

By September 1st we raised the amount of 1 016 000 CZK.

During this week we are going to debit from the public collection the amount of 950 000CZK (invoice from hospital in Motol) , which is the cost for Katareeia's treatment for three weeks' period.

We would like to kindly ask you to continue with the financial support to our public collection due to growing cost of Katareeia's treatment.
