

# CURRICULUM VITAE

Mgr. Robert Hakl, Ph.D.

**Date and place of birth:** March 14, 1973, Kyjov, Czech Republic

**Nationality:** Czech

**Affiliation:** Institute of Mathematics, Academy of Sciences of the Czech Republic, Žižkova 22, 616 62 Brno, Czech Republic

## Education:

- Diploma in Mathematics, Masaryk University in Brno, Czech Republic, 1996
- Ph.D., Department of Mathematical Analysis, Masaryk University in Brno, Czech Republic, 2000

## Employment:

- Institute of Mathematics AS CR, scientific researcher, since 2000

**Language skills:** English, Russian, Spanish

**Research interests:** Qualitative theory of differential equations and systems, boundary value problems, stability, asymptotic behaviours.

## Fellowships:

- Department of Applied Mathematics, University of Granada, Granada, Spain, November 1998
- A. Razmadze Mathematical Institute, Tbilisi, Georgia, June and July 1999
- Institute of Pure and Applied Mathematics, Louvain-la-Neuve, Belgium, September 1999 (Ministerie van de Vlaamse Gemeenschap)
- Department of Computer Sciences and Mathematics, Faculty of Natural Sciences, Ariel University Center of Samaria, Israel, December 2008
- Department of Applied Mathematics, University of Granada, Granada, Spain, October 2009 – May 2010

- Department of Computer Sciences and Mathematics, Faculty of Natural Sciences, Ariel University Center of Samaria, Israel, April 2011

**Conferences:**

- Equadiff 9, Brno, Czech Republic, August 1997
- International Conference in Žilina, Slovak Republic, June 1998
- Workshop, Brno, Czech Republic, September 1998
- World Congress on Nonlinear Analysis, Catania, Italy, July 2000
- Colloquium on Differential and Difference Equations, Brno, Czech Republic, September 2000
- International Conference DCDIS 2001, London, Canada, July 2001
- Equadiff 10, Prague, Czech Republic, August 2001
- ICDDEA 2002, Patras, Greece, July 2002
- Colloquium on Differential and Difference Equations, Brno, Czech Republic, September 2002
- Second International Workshop “Constructive methods for nonlinear boundary value problems”, Miskolc, Hungary, June 2003
- ICNODEA, Cluj–Napoca, Romania, August 2004
- Third International Workshop “Constructive methods for nonlinear boundary value problems”, Sárospatak, Hungary, June 2006
- Colloquium on Differential and Difference Equations, Brno, Czech Republic, September 2006
- Boundary Value Problems and Related Topics, Workshop on Differential Equations, Hejnice, Czech Republic, August 2007
- Conference on Boundary Value Problems: Mathematical Models in Engineering, Biology and Medicine, Santiago de Compostela, Spain, September 2008
- Equadiff 12, Brno, Czech Republic, July 2009
- Functional Differential Equations and Applications, Ariel, Israel, August–September 2010
- Czech–Israel Scientific Workshop, Ariel, Israel, September 2010
- Colloquium on Differential Equations and Integration Theory, Křtiny, Czech Republic, October 2010

**Lectures given abroad:**

- Departamento de Matemática Aplicada, Universidad de Granada, Spain, November 1998
- A. Razmadze Mathematical Institute, Tbilisi, Georgia, June and July 1999
- Institute of Pure and Applied Mathematics, Louvain-la-Neuve, Belgium, September 1999
- Department of Mathematics, Faculty of Sciences, Vrije Universiteit, Amsterdam, Netherlands, November 2002
- Dipartimento di Matematica e Informatica, Università degli Studi di Trieste, Italy, May 2003
- Departamento de Matemática Aplicada, Universidad de Granada, Spain, May 2005
- Department of Mathematics, University of Patras, Greece, May 2006
- Department of Computer Sciences and Mathematics, Faculty of Natural Sciences, Ariel University Center of Samaria, Israel, December 2008
- Department of Mathematics, Ben-Gurion University of the Negev, Beer-Sheva, Israel, December 2008
- Departamento de Matemática Aplicada, Universidad de Granada, Spain, December 2009, February 2010, April 2010
- Department of Mathematics, Ben-Gurion University of the Negev, Beer-Sheva, Israel, April 2011
- Department of Computer Sciences and Mathematics, Faculty of Natural Sciences, Ariel University Center of Samaria, Israel, April 2011

**Grants:**

- Researcher of the Grant No. 201/00/D058 of GA CR (2000–2003)
- Researcher of the Grant No. 201/06/0254 of GA CR (2006–2008)

**Honours and awards:**

- Rector's award of the Masaryk University in Brno, 2000
- The Institute award best paper published in the journals edited in the Mathematical Institute of Academy of Sciences of the Czech Republic, 2002
- Otto Wichterle Award for young researchers of AS CR, 2005

**Other related data:**

- Member of the Board of the Institute (MI AS CR)
- Member of the organizing committee of the international conference *Boundary Value Problems and Related Topics, Workshop on Differential Equations*, Hejnice, Czech Republic, August 2007
- Member of the organizing committee of the international conference *Equadiff 12*, Brno, Czech Republic, July 2009
- Reviewer for Zentralblatt
- Referee to several scientific journals
- Over 35 scientific papers published or accepted for publication, and one monograph (2002, 300 pp.)
- Total number of citations known to the author: 58
