

Department of Archaeology Faculty of Arts, University of West Bohemia in  
cooperation with the Museum of Cheb invite you at

**47th International Conference on Medieval Archaeology  
Archaeologia historica**

# **Archaeology of Social and Cultural Identity in the Middle Ages**

held on September 14th – 18th 2015 in Cheb (Czech Republic)

The topic of the 47th conference "Archaeologia historica" is the reflection of social and cultural identity in the archaeological evidence of the Middle Ages; in particular, with emphasis on the identification and interpretation of artifacts possibly defining socially and culturally distinct classes and milieu. Further attention will be given to the archaeological studies of various manifestations of social and cultural representation, interactions and contacts. Research into the materiality of identities is considered a particularly topical issue overlapping the boundaries of a single discipline; thus the contributions of contact disciplines will be appreciated.

**Date:** September 14th-18th 2015

**Venue:** Faculty of Economics, University of West Bohemia in Cheb, Hradební 22,  
35011 Cheb, Czech Republic
