

The Early Iron Age in Central Europe

2015

Dear colleagues,

Please accept the kind invitation to the international conference „The Early Iron Age in Central Europe“. The conference focuses on relevant issues regarding the archaeology of the Hallstatt and early La Tène period, with the emphasis on new archaeological excavations, manufacturing technologies and interregional contacts of the Central European area with other regions.

The conference is organized by the Department of Archaeology of the University of Hradec Králové with the support of the Museum of Eastern Bohemia. The sessions will take place in the building A (Hradecká 1227, Hradec Králové; room A5) on 2 -3 July 2015. The excursion for all participants will follow on July 4.

The official conference languages are Czech, English, German, Polish and Slovak. Please when using the Czech, Polish or Slovak language ensure that your slide presentation is in English or German. Oral contributions should not exceed 25 min.

The conference fee is 500 CZK (300 CZK students). Fees are to be paid during the registration and are intended to cover the expenses for excursion, catering, etc. The day tickets will not be available. All participants should ensure the accommodation by themselves. The list of the accommodation possibilities in Hradec Králové is available on <http://www.booking.com/city/cz/hradec-kralove.cs.html> or <http://www.hotelovydum.cz/> (hotel Academic). In case of your interest it is possible to assist you with the booking.

Please in case of your interest in submitting the paper or poster, send the title and the abstract of about a half page to: trefnymartin@seznam.cz or martin.trefny@uhk.cz. The deadline for submitting the paper or poster is 30 April 2015. If you intend to visit the conference without a paper or poster, please inform us as well.

The possibility of the publishing of a volume with individual contributions and posters will be discussed at the conference.

With kind regards
