

# Curriculum Vitae

## Personal Information

**Eva Kopecká**, born on April 30, 1967, in Bratislava, Slovakia, citizen of the Czech Republic.

## Academic Degrees

1990	RNDr.	Charles University, Prague, Faculty of Mathematics and Physics.
1995	Ph. D.	Charles University, Prague, Faculty of Mathematics and Physics.
2000	Dozent	Kepler University in Linz, Austria (Habilitation).

## Professional Experience

Since 1995	Researcher, Mathematical Institute, Academy of Sciences, Prague, Czech Republic, currently leave of absence.
1995-2002	University Lecturer (part time), Kepler University in Linz, Austria.
1997	Assistant Professor, Kepler University in Linz, Austria.
Spring 2001	Research Associate, University of South Carolina, Columbia, SC, USA.
Spring 2002	Research Associate, University of South Carolina, Columbia, SC, USA.
Spring 2003	Visiting Professor, Kepler University in Linz, Austria.
2004-2012	Dozent, Kepler University in Linz, Austria
Fall 2011	Research Professor, MSRI, Berkeley, CA, USA.
Since October 2012	Professor, University of Innsbruck, Austria

## Research Fields

Functional Analysis, Geometry of Banach Spaces, Nonlinear Analysis.

## Co-Organizer of Conferences

- Analysis Seminar (Seč, Czech Republic), May 1993.
- Analysis Seminar (Gmunden, Austria), October 1996.
- Analysis Seminar (Franking, Austria), October 1997.
- 27th Winter School in Abstract Analysis (Křišťanovice, Czech Republic), January 1998.
- Analysis Seminar (Třešť, Czech Republic), May 1998.
- Analysis Seminar (Stift Schlaegl, Austria), October 1998.
- International Workshop on Small Sets in Analysis (Haifa, Israel), June 2003.
- Introductory Workshop on Quantitative Geometry (MSRI, Berkeley, CA), August 2011.

- Connections for Women in Quantitative Geometry (MSRI, Berkeley, CA), August 2011.
- Analysis Seminar (Innsbruck, Austria), November 2013.
- Analysis Seminar (Innsbruck, Austria), October 2014.
- Analysis Seminar (Innsbruck, Austria), October 2015.
