

# THE 48<sup>th</sup> INTERNATIONAL OCTOBER CONFERENCE ON MINING AND METALLURGY

The 48<sup>th</sup> International October Conference on Mining and Metallurgy, organized annually, aims at providing a forum for presentation and discussion of scientific research, technological development and practice on the subjects of geology, mining, metallurgy, materials science, technology, environmental protection and the related engineering topics.

The Conference is organized jointly by the Technical Faculty in Bor, the University of Belgrade and the Mining and Metallurgy Institute Bor. Initially a national conference, it then became a conference with international participation and since 2002 it has been organized as an international conference.

## TIME AND VENUE

The 48<sup>th</sup> IOC will be held from September 28 to October 1, 2016 at Hotel "Albo", Bor, (Serbia), Eastern Serbia (about 260 km south-east of Belgrade).

## TOPICS

The Conference topics will cover the following fields: geology, underground mining, surface mining, mineral processing, extractive metallurgy, metal processing, materials science, inorganic technology, environmental engineering, industrial engineering, recycling technologies, energetics, manufacturing technologies, quality management, software engineering applications, mechatronics, machining, design and construction, and other related fields.

## CONFERENCE PROGRAM

The Conference will be organized in sessions, including plenary lectures, session lectures as well as oral and poster presentations.

## PUBLISHING

The Conference Proceedings will only include the papers accepted by the Scientific Committee. The papers should be written in English and in accordance with the instructions available on the Conference website ([www.ioc.tf.bor.ac.rs](http://www.ioc.tf.bor.ac.rs)).

Selected papers presented at the Conference can be submitted in an extended form as full-length research papers in Journal of Mining and Metallurgy, **Section A: Mining** and **Section B: Metallurgy**, **Mining and Metallurgy Engineering Bor**, **Bakar, Metallurgical & Materials Engineering (ex MJoM - Metalurgija)** and **Livarstvo (Foundry)** after reviewing and the appropriate revisions.

## CONFERENCE LANGUAGE

The Conference language will be English.

## CONFERENCE FEE

**The Conference fee is € 130\*** - Net Amount (plus additional fee for poster presentations\*\*). It includes admission to the Conference sessions, Conference Proceedings and materials, Conference dinner, and refreshments during the Conference.

**The conference fee for the accompanying person is € 60.** It includes all the items specified for the participants except the Conference Proceedings and materials.

\* All bank transfer fees must be covered by the participant and may not be deducted from the amount remitted

\*\* **Additional fee of € 25** is required if authors want to make **poster presentations**, since the Organizers take upon themselves to print all posters. The authors are kindly asked to inform the organizers about the type of presentation in the preliminary registration – until **15 May 2016**.

Domestic participants can pay conference fee in RSD, an amount equivalent to average exchange rate of NBS on the day of payment.

## Deadline for Conference fee payment: 30 June 2016

After the mentioned deadline, the Conference fee will be: € 150 - Net Amount (plus additional € 25 for poster presentations).

## PAYMENT INSTRUCTIONS:

The accounts and instructions for all payments are the following:
