

HELPS Preliminary report Slovakia

Launching event - Trieste, 2-4 April 2012

The background of the slide features a light blue gradient with a faint, semi-transparent image of classical architectural columns on the left side. The columns are white with detailed capitals and are set against a darker blue background. The entire slide is framed by a thin brown border.

Sources of innovative practices

- Articles and internet
- Contacting social department of all cities – only 6 out of 177 sent back the required information

The background of the slide features a light blue gradient with a faint, semi-transparent image of classical architectural columns on the left side. The columns are white with detailed capitals and are set against a darker blue background. The entire slide is framed by a thin brown border.

Problems with care in Slovak cities

- Lack of innovative practices
- Law formulations
- Insufficient information
- Financial and personal restrictions

The background of the slide features a light blue gradient with a faint, semi-transparent image of classical architectural columns on the left side. The columns are white with detailed capitals and are set against a darker blue background. The entire slide is framed by a thin brown border.

I. Multigenerational co-living
