## **CALL FOR PAPERS**

The 3<sup>rd</sup> **PeKIA 2014** International Postgraduate Conference (**Perspectives in Classical Archaeology 2014**) held at Charles University in Prague, Czech Republic.

**Monday and Tuesday, 15th - 16th December, 2014**

**PeKIA 2014** is a two-day conference in Classical Archaeology and Classics for postgraduate and doctoral students in order to present their research to other colleagues. It traditionally offers a space for discussion, exchange of ideas and meeting others in a friendly and supportive environment.

This year the theme of the conference is:

### **THE ARCHAEOLOGY OF ANCIENT CULTURAL LANDSCAPE**

Cultural landscapes of the ancient world are studied by archaeologists in various forms. All possible archaeological components separately and/or together from rural and urban settlements, industrial and religious facilities, resources and communications to burials, supplemented with historical, linguistic and art-historical studies, reveal the way of living and the thinking of ancient populations. Any research or new theoretical approaches can contribute to the creation of innovative interpretations and a shift in our understanding of classical culture.

Conceived broadly, this theme gives young scholars an opportunity to present and discuss their opinions and thoughts applicable to the theme. Papers are welcome from postgraduates in all stages of their research, both theoretical and practical. We believe that this conference will allow participants to meet, collaborate and share their ideas.

Abstracts of no more than 300 words for a 20-minute paper or poster (size A1) are expected before October 15<sup>th</sup>, 2014 at **PEKLA@ff.cuni.cz**. If you have any further enquiries, please use the same e-mail address before the deadline. Speakers will be notified by the beginning of November.

Conference fee: EUR 10,- (covers refreshment during the conference breaks; payable during registration).

Conference language: English.

**The after-conference informal programme will culminate on Tuesday evening in the Departmental "Christmas/Saturnalia Party"!**

We are looking forward to seeing you in Prague!
