7. Qualification criteria

Technical qualification criteria

Fulfilment of the technical qualification criteria will be demonstrated by a bidder, who submits a list of at least 3 principal deliveries effected by in the past 3 years with indication of the extent thereof, the time of performance, specification of the executed performance and contact (tel. or e-mail) to the client for a possible verification. A principal delivery shall be considered as a delivery of a closed-cycle helium cryostat.

8. Evaluation criteria

First, the Contracting Authority will evaluate the technical specifications of the offered Equipment based on the datasheets provided by the bidders. If one of the mandatory technical requirements (specified in annex 1 of the draft contract) is not fulfilled, the bidder will be excluded from further participation in this tender.

Then, bids will be evaluated on the basis of the lowest bid price. Contracting Authority will evaluate the total bid price in EUR excl. VAT.

9. Commercial terms

All commercial terms are included in the draft purchase contract, which forms and integral part hereof as an **Annex No. 2** hereto. Bidders are required to accept the contract proposal without reservation and without change; bidders are only entitled to complement their identification

data, data on the bid price and any other clearly marked data. The draft contract must be signed by the applicant's statutory body or a person authorized by the statutory body. Original or certified copy of the power of attorney or authorization shall be part of the draft contract in such a case.

10. Provision of additional information

Bidders are entitled to require the Contracting Authority in writing to provide additional information on the tender conditions relating to the public contract. The request must be received by the Contracting Authority no later than 4 working days before the deadline for submission of bids.

11. Additional conditions

The Contracting Authority has the right to:

- a. require further explanations to the bid in the case of confusion,
- b. verify the data declared by the bidder,
- c. specify or modify the draft contract (maintaining the substantial parameters),
- d. cancel the small-scale public contract at any time in the course of the procurement procedure, up until conclusion of the contract,
- e. specify the subject of the public contract,
- f. enter into a contract with the bidder, whose bid has been evaluated as the most suitable; if the selected bidder refused to enter into a contract, the Contracting Authority has the right to enter into a contract with the bidder, whose bid has been evaluated as the second most suitable etc.
- g. publish the notice of the selection of the most suitable bid and possibly also note of exclusion of a bidder on the contracting entity profile at: <http://www.e-zakazky.cz/Profil-Zadavatele/74e987e1-b4a1-4571-b8b6-2cd93fe6f932> and on IoP websites at: <http://www.fzu.cz/verejne-zakazky>. In such a case, the notice of the selection of the most suitable bid and note of exclusion of a bidder shall be considered to be delivered to all bidders concerned at the point of time of publication on the contracting entity profile.

12. Conclusion

This small-scale public contract is not awarded pursuant to Act No. 134/2016 Coll., on Public Procurement, as amended.

The information and data contained in this Invitation (including Annexes) define mandatory requirements of the Contracting Authority on the subject of the public contract. The bidder has to respect and accept these requirements fully and unconditionally when processing the bid. Non-acceptance of the requirements specified in this Invitation (including Annexes) will be considered a breach of the terms.

If this Invitation (including Annexes) mentioned trade names of some products or supplies, or other signs pertaining to a particular supplier, it is only a definition of quality standard and the bidder is entitled to propose a different, qualitatively and technically comparable solutions.
