Prague, Czech Republic
Jana.havlikova@vupsv.cz

This project is implemented through the CENTRAL EUROPE Programme co-financed by the ERDF

Structure of the Section C – Social services etc.

- ➔ Part 3 – social care **policy** aiming at the elderly
 - » policy priorities, legal regulations of social care services provision, position of the services designed for the elderly within the whole system of social services.
- ➔ Part 4 – **founding** of social care services
 - » how are they financed, the level of public expenditure, structure of financial sources, role of the client/user.
- ➔ Part 5 – role of **informal carers** within the provision of care
- ➔ Part 6 – **Care/ Care ´s allowance**
 - » presence, construction, number of recipients.
- ➔ Part 7 – **Special housing** and **care policies** for the elderly
 - » insert from Preliminary report.
- ➔ Part 8 – **Completion of** Special housing and care policies
- ➔ Part 9 – role of **health care system**

Used types of questions – how to answer them?

- ➔ Closed questions with possibilities to be chosen
- ➔ Tables to be filled in
- ➔ Thematic question with longer written answer:
 - » Please, note, that **social policy and social services system is quite diverse across European countries** and what is self-evident for you and people in your country is not likely self-evident for a foreigner.
 - » **Explain** the issue in question **as clear as possible**, so that it would understand also people who don't understand social care and services in your country at all.
 - » You may imagine, for example, that you try to explain your social policy to somebody from Japan.

Possible sources of data and information

➔ Documents:

- » legal norms,
- » strategic documents (national/regional),
- » standards etc. of professional associations,
- » documents describing social policy and system published on web pages of the respective Ministry, Professional association etc.,
- » scientific studies.

➔ Statistical data:

- » National statistical office,
- » Respective Ministry,
- » International statistics – Eurostat, OECD.
