

## **DAGMAR MEDKOVÁ – CURICULUM VITAE**

**Born:** 28. 9. 1957, Prague, Czechoslovakia

### **Education:**

1977–1982 Faculty of Mathematics and Physics, Charles University, Prague, RNDr. degree 1982

1982–1983 fellowship at the Mathematical Institute of the Czechoslovak Academy of Sciences, Prague

1983–1986 Research Student, Mathematical Institute of the Czechoslovak Academy of Sciences, Prague, CSc. degree (PhD equivalent) in 1987

### **Employment:**

1986–1988 State Institute of Technology, Běchovice, Czechoslovakia, research fellow  
since 1988 Mathematical Institute of Czech Academy of Sciences, Prague, research fellow

### **Teaching activities:**

1999–2000 Faculty of Electrical engineering, Czech Technical University, Prague

2001–2011 Faculty of Mechanical engineering, Czech Technical University, Prague

2005 Czech Technical University, docent degree

### **Editorial boards:**

since 2008 *Mathematica Bohemica*, editor in chief

### **Field of research:**

Integral equation method for boundary value problems
