

Project name:	High time for beam time - Access to world class large scale research infrastructures for V4 businesses
---------------	--

Dolní Břežany, 19 May 2016

INVITATION

Dear Sir/Madam

On behalf of the Institute of Physics AV CR and its laser infrastructure ELI Beamlines, we are very pleased to invite you to attend a national information meeting which will mark the launch of the High Time for Beam Time pilot call for proposals. The event takes place on **7 June 2016** at **ELI Beamlines, Za Radnicí 835, Dolní Břežany**.

The pilot call for proposals will give a limited number of **companies** from the Visegrad region, including the Czech Republic, the opportunity to carry out **basic research of industrial value** at one of the large scale research infrastructures participating in the Science Link Network. At this event you will gain insight into the benefits to companies of using world-class research infrastructures as well as additional opportunities to take advantage of these infrastructures. For background to the High Time for Beam Time project and the Science Link Network, please visit our website: www.sciencelink.pl.

The agenda of the meeting is attached. Should you have any questions, please feel free to contact Mrs. Pavla Doležalová at pavla.dolezalova@eli-beams.eu.

Please take a moment to fill out the attached registration form and send it to pavla.dolezalova@eli-beams.eu by May 31st at the latest. Registration is required. Given the topics addressed at this meeting, **CTOs, CROs and/or staff from R&D units in businesses are strongly encouraged to attend**.

This event is made possible thanks to the generous support of the International Visegrad Fund.

Sincerely Yours,

Aleš Hála
