CALL FOR PAPERS

EIRENE. STUDIA GRAECA ET LATINA, 56, 2020

Dear Colleagues,

On behalf of the editorial board of the journal of classics and its reception *Eirene. Studia Graeca et Latina* (founded 1960), which is published by the Centre for Classical Studies at the Institute of Philosophy of the Czech Academy of Sciences in Prague, I am taking the liberty to **invite you to contribute to the journal's 56th volume which is to be published at the end of the year 2020**. The 55th volume of *Eirene* is with the printers now, and it should appear shortly (the table of contents is appended below).

We welcome original research on classical and late Antiquity (including studies dedicated to its reception), ranging from philology and literature, religion, philosophy, history and historiography to Patristics. We are also interested in reviews of scholarly literature on these subjects, and we encourage researchers to contact the editors should they want to review some specific title.

We are also happy to remind that starting with volume 55, 2019, *Eirene* allowed some of its contents to be published in an Open Access mode. For more information, please visit <http://www.ics.cas.cz/en/journals/eirene/open-access>.

While we regularly accept submissions throughout the year, the **deadline for submitting your paper, should it be considered for publication in *Eirene* 56, 2020, is the end of June 2020**, and the journal accepts submissions in English, German, French and Italian (all submissions are sent for double-blind peer-review).
