

Two postdoctoral positions in the EXPRO project

Abstract convergence schemes and their complexities

Appointment period: **6 – 30 months** (until 31.12.2022)

Appointment type: **Full time employment contract**

Starting date: **July 1st, 2020**

Salary: **CZK 45 000 per month**

Deadline for applications: **April 15, 2020**

The successful applicants will be based in the Institute of Mathematics of the Czech Academy of Sciences, Prague, and perform mathematical research in the areas of the project. The applicants are also expected to take part in the activities of the Department of Abstract Analysis such as the seminars and workshops organized by the group.

Applications are invited from candidates who have completed their Ph.D. degree in Mathematics, within the last 4 years or will complete their Ph.D. degree before July 2020. Applicants should have a good background in **logic** and **category theory**. Publications, as well as other activities and professional achievements, will be judged by the stage of the applicant's career.

The following documents are required:

1. **CV**
2. **list of publications**
3. **motivation letter**
4. **two letters of reference**

Application for the position must be submitted **exclusively using the electronic submission system** at

<https://application.math.cas.cz/Positions.html>

For more detailed information about the project please contact the project Principal Investigator

Wiesław Kubiś kubis@math.cas.cz

Only complete applications (including the letters of reference) received before 15 April 2020 will be considered. All applicants will be notified by 30 April 2020.
