Postdoctoral position in the Department of Evolution Differential Equations

Appointment period:	**2 years**
Contract type:	**Full time**
Position starting date:	**January 1, 2021, or upon an agreement**
Deadline for applications:	**October 17, 2020**
Gross salary:	**CZK 40,000 per month**

We are looking for a postdoc to strengthen the Department of Evolution Differential Equations. Applications are invited from candidates who have completed their PhD within the last 5 years (or will complete it before the time of hiring), and who have a strong background in the theory of partial differential equations. An interest in industrial applications and a perspective of cooperation with industrial partners is an advantage.

The selection committee will assess publications, professional achievements, and other activities of applicants by the stage of their career. Questions and informal inquiries should be directed to the Scientific Manager of the Institute, Dr Beata Kubiś to her email address kubisb@math.cas.cz.

The following documents are required:

- **CV**
- **List of publications**
- **Motivation letter (may include research statement)**
- **2 letters of reference**

Application for the position must be submitted exclusively using the electronic submission system at https://application.math.cas.cz/Positions.html.

Only complete applications (including the letters of references) received by October 17, 2020, will be considered. Video or personal interviews with shortlisted applicants will be scheduled during the week October 26–30, 2020. The final decision is expected in the first days of November 2020.

Tomáš Vejchodský
Director
