

Call for Mobility Project Proposals

Identification information

Partner country:	MONGOLIA
Partner organisation:	MONGOLIAN ACADEMY OF SCIENCES (MAS)
Programme:	Mobility projects
Period:	1 January 2018 – 31 December 2020

Legal framework

The call is based on the Agreement on Scientific Cooperation between The Czech Academy of Sciences (hereinafter referred to as CAS) and the Mongolian Academy of Sciences (MAS), and in accordance with art. 2 par. 2 of the Act No. 283/1992 Coll., on The Czech Academy of Sciences, as amended, and art. 3 par. 2 of the Statutes of the Czech Academy of Sciences.

Basic definition

Objectives

- Improvement of scientific cooperation between both countries;
- Stimulation of involvement of young researchers and PhD students;
- Supporting research teams aspiring to cooperate on large international projects in the future;
- Enabling the use of methodology, infrastructure and equipment for the mutual benefit of both institutions.

Eligibility criteria

Project proposals from **all research fields** are accepted.

Maximum project duration is **3 years; i. m. 36 months**; extension beyond this period is not permitted.

Project proposal can be submitted:

- On the Czech side by a CAS institute;
- On the partner side by a MAS institute.

In case applicant submits more than one project proposal within one call, only one of them can be funded;

Only two subsequent projects realized by the same research teams can be funded.

Research team

Each research team consists of:

- One principal investigator (senior or junior researcher);
- One or more co-investigators.

Research team members are divided into four categories:

- Senior researchers (5 or more years after receiving PhD.);
- Junior researchers – postdocs (less than 5 years after receiving PhD.);
- PhD Students ;
- Other (engineers, technicians)

On the Czech side:

- All members must be employees of the CAS institutes
- Out of the whole team, at least 1/3 must be junior researchers or PhD students.

On the Mongolian side:

- Researchers of the Institutes of the Mongolian Academy of Sciences.

Range of exchanges

Number and length of exchanges and shares of individual co-investigators in exchanges must reflect the scope and objectives of the project and planned activities. **Days not used** during one calendar year cannot be transferred to subsequent years of the project.

Maximum exchange quota is **21 days per research team and year** for each of the parties

Financial provisions

Funding is provided in the form of a **financial contribution toward the costs of mobility** (exchanges of Czech and Mongolian members of the research team), in direct connection with the implementation of the project.

Financial contributions must be calculated and provided in compliance with the valid national legislation and internal regulations of the partner organisations.

Financial contribution can be provided only in the year of the exchange realisation, i.e. unclaimed requirements for financial contributions cannot be claimed in subsequent years.

Provision of financial contributions by the partner organisation is subject to availability of funds.

Financial contributions to Czech research team members

- a) **For international transportation – the CAS covers the international transport expenses** from the Czech Republic to Mongolia and back inclusive **travel insurance**.
- b) **For subsistence - the partner organisation (MAS) covers**
 - **accommodation expenses up to 135 000 MNT**, - man/day

- Declares that, if approved, he/she will during the realization of the project follow:
 - [The Code of Ethics of researchers at the Czech Academy of Sciences;](#)
 - [The European Charter and Code for researchers;](#)
 - [Recommendations of the International Commission "Self-Control in Science" \(Recommendations of the International Commission on Professional Self-Regulation in Science\)](#)

On the Mongolian side (for information only):

The project proposal must be submitted to the MAS abbreviation. Conditions for submission and relevant form/s are available from the website of the MAS

- The form of project proposal is available for download on the MAS website: <http://mas.ac.mn/>.
- The project proposal must be submitted to the MAS by the MAS institute within the stated deadline (the date of posting is decisive), namely:
 - **by mail** in one copy (printed single sided in the A4 format, signed, stamped and unbound), envelope labelled „Mongolia/MAS – Mobility projects 2018-2020, addressed to the contact person (see below); and simultaneously
 - **electronically** (one file copy - a completed form for administrative purposes) to the e-mail address of the contact person (see below)

Evaluation and Selection

Consists of two-step process:

- At the national level, each partner organization evaluates submitted proposals based on its internal rules and prepares a ranking list.
- At the international level, both partner organizations exchange their ranking lists, merge them, negotiate the final ranking and approve the proposals selected for funding. Total number of projects approved for funding is dependent on the financial possibilities of both partner organizations.

Criteria for evaluation of project proposals

- **Quality of the project:**
 - Scientific relevance (concept, innovative character in relation to the state-of-the art, quality of objectives);
 - Methodology, work plan of activities and outputs;
 - Impact of project results, their dissemination and use.
- **Quality of research teams:**
 - Composition and expertise of research teams;
 - Complementarity, methodology and equipment; previous cooperation and outputs;
 - Justification of collaboration needs.
- **Active involvement of junior researchers and PhD students.**
- **Added value and broader impact of bilateral cooperation.**
