

Tender for additional postdoctoral position

Prague, 22nd January 2021

The Director of the Institute of Theoretical and Applied Mechanics of the Czech Academy of Sciences is pleased to announce the launch of a tender for an additional postdoctoral position for the project "CZ.02.2.69/0.0/0.0/18_053/0016918 Rozvoj lidských zdrojů ÚTAM AV ČR" (Development of Human Resources at ITAM CAS), for the "Dynamics and Wind Engineering" activity. The postdoctoral position criteria are available at the supporting agency web page <https://opvvv.msmt.cz/vyzva/vyzva-c-02-18-053-mezinarodni-mobilita-vyzkumnych-technickyh-a-administrativnich-pracovniku-vyzkumnych-organizaci-2.htm>

The length of the postdoctoral position is 6 months and the stay must be realized in 2021. The deadline for accepting applications for participation in the tender is set for 19 February 2020.

The application must include:

- the applicant's CV (max 2 pages),
- a proposal of research activities (max 1 page),
- a list of top five publications and H-index.

The application must be submitted by email to kytyr@itam.cas.cz.

Assoc. prof. Stanislav Pospíšil, Ph.D., Director
