

WORKSHOP

June 16 - 18

# Quantitative label-free imaging cytometry

- Theoretical lecture
- Hands-on sessions with application specialist
- Individual experiment settings improvement

**Registration:** <https://event.img.cas.cz/registration/telight2020/>

## Q-PHASE USERS MEETING

telight

<b>When:</b>	June 16, 2020	12:30 - Registration
		13:00 - 14:00 - Theoretical lecture
		15:00 - 17:30 - Demonstration of the system
	June 17, 2020	9:30 - 17:30 - HANDS-ON
	June 18, 2020	9:30 - 13:00 - HANDS-ON

**Where:** Light microscopy core facility - Institute of molecular genetics of the CAS  
Videnska 1083, 14220 - Prague 4, CZ

**Why:** The system users meeting is a unique opportunity to discuss specificities of the system settings with application specialist and with other users. Hands-on slots will be led by the TELIGHT application specialist and will serve for check & improvement of system settings for individual users' experiments. That altogether is highly useful for all users to maximize an effectivity of acquisition and to get the best possible results from the system.

All users of Q-Phase and potential users of QPI (quantitative phase imaging microscopy) are cordially invited!

Learn more about Q-Phase at [www.telightCo.com](http://www.telightCo.com)

The workshop is organized in the framework of the Czech-BioImaging research infrastructure supported by MEYS (LM2015062)
