

Motivation letter questions

Answer ALL 4 questions.

Please note that these answers need to be your own. The admission committee recognizes and software-checks even partial formulations that are taken from template motivation letters available on the Internet. Using these answers will hurt the applicant.

Please help us better understand your background. Where are you from, what did you study and do outside of school, how did you perform? (100-200 words)

What is the hardest thing you've achieved in your life? Describe the situation and how you managed it. (100-200 words)

What makes the MA in Applied Economics program unique for you and what makes you unique for the program? (100-200 words)

Give us three adjectives that your friends would use to describe you (up to 3 words):
