

JMENNÝ REJSTŘÍK

Do rejstříku nezahrnujeme jména uvedená v oddíle „Lit.“ za jednotlivými hesly, text hesel však excerpujeme důsledně (jedinou výjimkou, kdy ke jménu neodkazujeme, jsou čisté parafráze s nulovým interpretačním vkladem autora parafráze). Jména literárních (filmových) postav uvádíme ve zvláštním rejstříku.

Uvádíme jen první křestní jméno, další jména (např. patronyma aj.) zkracujeme na iniciálu. Jména v rejstříku uvedená se snaží být uvedena co nejpřesněji – na rozdíl od jmen uvedených v odd. Bibliografie, která se řídí zněním jmen na titulním listě daných publikací (podle bibliografického úzu). Znění jmen v textu hesel se naopak řídí obecným územ. Odchylky ve všech třech případech jsou však minimální.

Ženská příjmení uvádíme v rejstříku v jejich původní podobě (bez sufixu -ová v uvozovkách).
