

INFORMATION ABOUT PH.D. PROGRAMME IN PHILOSOPHY

The Faculty of Arts of the Charles University offers a four-year doctoral programme in philosophy in Czech and in English. Doctoral students follow individual study plans designed in collaboration with their supervisors and submitted for approval to an Area Board. The doctoral programme enables individual specialisation across the range of areas of philosophy represented at the Department of Philosophy and Religious Studies of the Faculty of Arts of the Charles University. The programme is implemented in collaboration with the Institute of Philosophy of the Czech Academy of Sciences.

The QS World University Rankings had repeatedly ranked philosophy at the Charles University the highest among the various humanities courses in the Czech Republic, placing it at 51st–151st position depending on the year, that is, even above many well-respected universities abroad.
