

DIRECTOR OF IMG CORDIALLY CONGRATULATES

Teije Corneel Middelkoop, Ph.D.

WHO WAS RECENTLY AWARDED

The “Lumina Quaeruntur” Premium

The “Lumina Quaeruntur” Premium was established by the Academy Council of the Czech Academy of Sciences as an instrument to support scientific excellence at the Czech Academy of Sciences; it is intended to award outstanding prospective researchers in setting up new scientific teams at the research institutes of the Czech Academy of Sciences to allow developing their science programme focused on conceptually new topics that significantly shift the frontiers of knowledge or lead to socially important practical applications. Details of the awards ceremony, including the accompanying video, are on the website: <https://www.avcr.cz/cs/o-nas/aktuality/Svetlo-perspektivy.-Sest-vedeckych-nadeji-prevzalo-premii-Lumina-quaeruntur/>.
