

DIRECTOR OF IMG CORDIALLY CONGRATULATES

Veronika Krchlíková, M.Sc.

WHO WAS RECENTLY AWARDED

The “Josef Hlávka Award”

The Josef Hlávka Award is intended for talented students in bachelor's, master's or doctoral studies who have demonstrated unique skills and creative thinking in their field, and for talented young researchers of the Academy of Sciences of the Czech Republic up to 33 years of age.

Veronika Krchlíková demonstrated extraordinary abilities of experimental and bioinformatics work in virology. She achieved significant publishing successes (quite extraordinary within the PhD study) and started several ongoing research topics.
