

**Research fellow position
Institute of Mathematics of the Czech Academy of Sciences**

Appointment period:	2 years
Appointment type:	Full time
Position starting date:	May 1, 2023, or upon an agreement
Deadline for applications:	January 31, 2023
Gross salary:	CZK 50 000 – 60 000 per month, depending on experience

The Institute of Mathematics of the Czech Academy of Sciences is seeking experienced mathematicians to join one of its research teams. We are looking for young researchers who have achieved significant results in their area of research. This is a tenure track type position; after two years, the candidate will be evaluated and, in the positive case, offered a long-term position in accordance with the Career Development Rules of the Czech Academy of Sciences.

Successful applicants will perform research in one of five departments of the Institute. They will also take part in other activities such as organization and active participation at seminars, workshops, and conferences. No teaching is involved. We require verbal and written English communication skills and abilities to work both independently and collaboratively.

The selection committee will judge publications, as well as other activities and professional achievements of applicants, with respect to the stage of their career.

We offer affordable accommodation in the building of the Institute for the first 3-6 months. Questions and informal inquiries should be directed to the Scientific Manager of the Institute, Dr Beata Kubiš to her email address kubisb@math.cas.cz.

The following documents are required:

- **CV**
- **List of publications**
- **Motivation letter (may include research statement)**
- **Two letters of reference**

Applications for the position must be submitted exclusively using the electronic submission system at <https://application.math.cas.cz/Positions.html>.

Equal opportunities are an integral part of the Institute's personnel policy. The Institute fosters the compatibility of work and family and encourages applications from qualified female researchers. Disabled applicants will be given preference in case of equal qualifications.

Only complete applications (including two letters of references) received by January 31, 2023, will be considered. Online interviews with shortlisted applicants will be scheduled for the week February 13–17, 2023. All applicants will be notified by February 28, 2023.
