

Lecture

Karla M. Neugebauer Ph.D.

**Professor of Molecular Biophysics and Biochemistry
and of Cell Biology, Yale University**

“How co-transcriptional splicing efficiency determines gene output”

Karla Neugebauer is a leading expert on RNA processing and in particular on the coupling between transcription and RNA splicing.

The seminar will be held

on Friday 9th June 2023 at 14:00

in the Milan Hašek Auditorium at IMG

(Institute of Molecular Genetics of the Czech Academy of Sciences, Vídeňská 1083, Prague 4)
