

Electrochemistry in Non-Aqueous Solvents

20.-24.5.1974

Liblice

Programme:

1. Ion solvation in non-aqueous solvents

H.Schneider (Göttingen), chairman J.Dvořák (Prague)

2. Double layer in non-aqueous solution

R.Parsons (Bristol), chairman J.Koryta (Prague)

3. Electrochemistry with complete exclusion of water

J.Říha, J.Tenygl (Prague), chairman B.Kastening (Jülich)

4. Electrode processes in non-aqueous solutions

A.A.Vlček, J.Volke, A.Rusina (Prague), chairwoman J.Badoz-Lambling (Paris)

5. Electrode processes with participation of solvated electrons

L.I.Krishtalik (Moscow), chairman R.Landsberg (Berlin)
